## Across the Border Line

<sup>E</sup> There's a place <sup>H7</sup> so I've <sup>E</sup> been told

<sup>D</sup> where every street <sup>A</sup> is paved with gold

<sup>E</sup> and it's <sup>H7</sup> just across the border line

<sup>E</sup> And when it's <sup>H7</sup> time to take <sup>E</sup> your turn

<sup>D</sup> there's a lesson <sup>A</sup> you must learn

<sup>E</sup> you could lose <sup>H7</sup> more than you ever thought <sup>E</sup> you'd find

<sup>A</sup> And when you reach the broken <sup>E</sup> promised land

<sup>A</sup> and all your dreams <sup>E</sup> slip through your hands

<sup>E</sup> and you know <sup>H7</sup> it's too late to change your mind

<sup>A</sup> because you've paid the price <sup>E</sup> to come so far

<sup>A</sup> just to wind up <sup>E</sup> where you are

<sup>E</sup> and you're <sup>H7</sup> still just across the border line <sup>E</sup>

Up and down the Rio Grande  
a thousand footprints in the sand  
reveal a secret no one can define

The river flows on like a breath  
in between are life and death

Tell me, who's the next to cross the border line

The man is tall, mad, mean and goodlookin`

**D7**

and he`s got me in his eye

when he looks at me, I go weak at the knees

**gm**

he`s got me goin` like no other guy

**gm**

**Cause he`s my big bad handsome man**

rocks me to the floor

when he sings in my ear, he makes me shiver and fear  
leaves me wanting more and more

**Cause he`s my big bad handsome man .....**

With his rugged good looks, yeah, he`s got me hooked  
got me where he wants me to be  
with his arms so wide he pulls me in by his side  
he`s the kind of guy who does it for me

**He`s my big bad handsome man .....**

## Intro Strofe

### Billy The Kid

There's guns across the river, aimin' at you  
there's a lawman on your trail d'like to surround you  
bounty-hunters are dancin' all around you  
Billy, they don't like you to be so free 2 mal

There's mirrors inside the minds of crazy faces  
bullet-holes and rifles in their cases  
there's allways one more knockin' for more aces  
Billy, and you're playin' all alone 2 mal

Look, businessman from Taos, they want you to go down  
they've hired Mr. Garret to force you to slow down  
Billy, don't it make you feel so low down  
to be hunted by the man, who was your friend? 2 mal

### Instrumental Strofe

They say, that Pat Garret's got your number  
so sleep with one eye open, when you wander  
cause every little sound just might be thunder  
thunder from the barrel of his gun 2 mal

Playin' round with some sweet senorita  
into her dark chamber she agreed you  
in the shadows of the mesas she will lead you  
Billy, and you're goin' all alone 2 mal

Campin' out all night on the veranda  
walkin' endless streets down by the hacienda  
up to Boot-hill they'd like to send you  
Billy, don't you turn your back on me 2 mal

## Outro Strofe

## Instrumental: eine Strophe

Well, I heard that hoot owl singing - as they were taking down the tents  
the stars above the barren trees - were his only audience  
I can hear the tribes a-moaning - hear the undertakers bell  
but nobody can sing the Blues - like Blind Willie McTell

## Instrumental: eine Strophe

Seen them big plantations burning - hear the cracking of the whips  
smell that sweet magnolia blooming - see the ghosts of slavery ships  
There's a chain gang on the highway - I can hear them rebels yell  
but nobody can sing the Blues - like Blind Willie McTell

## Instrumental: eine Strophe

Well, God is in his heaven - and we all want what's his  
but power and greed and corruptible seed - seems to be all that there is  
I'm gazing out the window - of the St. James Hotel  
and I know, no one can sing the Blues - like Blind Willie McTell

## The Common Linnets

<sup>G</sup>  
Driving in the fast lane  
<sup>e</sup>  
Counting mile marker signs  
<sup>C</sup>  
The empty seat beside me  
<sup>G</sup>  
Keeps you on my mind

Livin' in the heartache  
Was never something I pursued  
I can't keep on chasing  
What I can't be for you

CHORUS <sup>G</sup> Ooh skies are black and <sup>e</sup> blue  
I'm thinking about you  
<sup>G</sup>  
Here in the calm after the storm

Tears on the highway  
Water in my eyes  
This rain ain't gonna change us  
So what's the use to cry?

I could say I'm sorry  
But I don't wanna lie  
I just wanna know if staying  
Is better than goodbye

CH Ooh skies are black and blue  
I'm thinking about you  
Here in the calm after the storm

CH Ooh after all that we've been through  
There ain't nothing new  
Here in the calm after the storm

Down this broken line  
Maybe you can find me  
Guess we'll know in time

# In The Air Tonight Chords by Phil Collins

For all the mystery and tension in this tune, it's very simple. When I play it on keyboards I keep a low "D" depressed throughout the song. (Actually I put a roll of pennies on the key). I actually play the keyboard and guitar lines at the same time using a volume pedal on my guitar.

[Intro]

**Dm C Bb C** x2

[Chorus]

**Dm C Bb C**  
I can feel it coming in the air tonight... oh lord  
**Dm C Bb C**  
I've been waiting for this moment.. for all my life.. oh lord  
**Dm C Bb C**  
Can you feel it coming in the air tonight.. oh lord?  
**Dm**  
Oh lord

[Verse 1]

**Dm**  
Well, when you told me you were drowning  
**C**  
I would not lend a hand  
**Bb**  
I've seen your face before, my friend  
**Dm**  
But I don't know if you know who I am  
**Dm**  
But I was there and I saw what you did  
**C**  
Saw it with my own two eyes  
**Bb**  
So you can wipe off that grin... I know where you've been  
**Dm**  
It's all been a pack of lies

[Chorus]

**Dm C Bb C**  
I can feel it coming in the air tonight... oh lord  
**Dm C Bb C**  
I've been waiting for this moment.. for all my life.. oh lord  
**Dm C Bb C**  
I can feel it coming in the air tonight... oh lord

**Dm**  
Oh lord

[Verse 2]

**Dm**  
Well, I remember

I remember, don't worry

**C**  
How could I ever forget?

**Bb** **Dm**  
It's the first time... and the last time we ever met

**Dm** **C**  
But I know the reason why you keep this silence up

No, you don't fool me

**Bb**  
For the hurt doesn't show

But the pain still grows

**Dm**  
It's no stranger to you and me

[Chorus]

**Dm** **C** **Bb** **C**  
I can feel it coming in the air tonight... oh lord

**Dm** **C** **Bb** **C**  
I've been waiting for this moment.. for all my life.. oh lord

**Dm** **C** **Bb** **C**  
I can feel it coming in the air tonight... oh lord

# One more Cup of Coffee

<sup>Am</sup>  
Your breath is sweet

<sup>G</sup>  
Your eyes are like two jewels in the sky.

<sup>F</sup>  
Your back is straight, your hair is smooth

<sup>E</sup>  
On the pillow where you lie.

<sup>Am</sup>  
But I don't sense affection

<sup>G</sup>  
no gratitude or love.

<sup>F</sup>  
Your loyalty is not to me

<sup>E</sup>  
but to the stars above.

<sup>F</sup> <sup>E</sup>  
One more cup of coffee for the road,

<sup>F</sup> <sup>E</sup>  
one more cup of coffee 'fore I go

<sup>Am</sup>  
to the valley below.

Your daddy he's an outlaw

and a wanderer by trade.

He'll teach you how to pick and choose

and how to throw the blade.

He oversees his kingdom  
so no stranger does intrude  
His voice it trembles as he calls out  
for another plate of food.

**One more cup of coffee for the road ...**

Your sister sees the future  
like your mama and yourself.  
You've never learned to read or write  
there's no books upon your shelf.  
And your pleasure knows no limits  
your voice is like a meadowlark  
but your heart is like an ocean  
mysterious and dark.

**One more cup of coffee for the road ...**

A G D

I can see her lying back in her faded dress  
In a room where you do what you don't confess  
||: Sundown you better take care  
If I find you been creeping 'round my back stairs :||

She's been looking like a queen in a sailor's dream  
And she don't always say what she really means  
||: Sometimes I think it's a shame  
When I get feeling better when I'm feeling no pain :||

I can picture every move that a man could make  
Getting lost in her loving is your first mistake  
Sundown you better take care  
If I find you been creeping 'round my back stairs  
Sometimes I think it's a sin  
When I feel like I'm winning when I'm losing again

I can see her looking fast in her faded jeans  
She's a hard loving woman, got me feeling mean  
Sometimes I think it's a shame  
When I get feeling better when I'm feeling no pain
